RE: Sunshine Request – Copy of the list of apps downloaded to Attorney General Josh Hawley's mobile phone.

Dear Mr. Neiss:

We are writing in response to your above-referenced request, which was received by our custodian of records on December 10, 2018. We have no records responsive to your request. To the extent your request asks the Attorney General's Office to create records that do not exist, the Sunshine Law does not require us to create new records. See *Jones v. Jackson Cty. Circuit Court*, 162 S.W.3d 53, 60 (Mo. Ct. App. 2005).

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel Hartman", written over a large, stylized blue "D".
